Lightbar MX250-CB AMBER EXTREME

4 in 1 functionality

White and amber position lights, LED high beam and an ultimate LED boost mode

See and be seen with OSRAM

Up to 330 m long light beam in boost mode

Combo beam pattern

Designed for both: far-field and near-field illumination

IP & IK protection classes

Tested and validated in a DIN-certified environmental simulation laboratory

Powerful light output meets striking design – built for all terrains and demanding conditions

The OSRAM LEDDriving Lightbar MX250-CB AMBER EXTREME redefines performance and design in one powerful lighting solution. Featuring a combo beam for both near-field and far-field illumination, it delivers an impressive light beam of up to 330m in boost mode. With a light output of up to 4.600 effective lumens, it ensures maximum visibility in even the most demanding environments. Its innovative 4-in-1 setup combines high beam, amber and white position lights, plus a boost function. The distinctive amber light signature goes beyond functionality – it's a confident design statement for drivers who value both performance and design. Adding to this, it features a dynamic Welcome Light: a flowing start up animation that activates when the light is switched on, giving your vehicle a distinctive, premium appearance from the very first moment. Tested to the toughest standards, it features IP6K8 and IP6K9K protection classes, a shatterproof polycarbonate lens, and an aluminium die-cast housing – all compact, robust, and ready for any challenge. Whether on-road or off-road, the Multifunctional Series is an effective and efficient addition to your vehicle. They can be attached to cars, trucks, agricultural machinery, commercial vehicles, construction vehicles, caravans, off-road vehicles and quads¹⁾. OSRAM provides a 5-year guarantee on these products²⁾.
